The GEALAN Corporate Group is Europe's Leading Manufacturers of Vinyl Profiles for Windows and Doors

GEALAN FACTORY - TANNA, GERMANY

GEALAN Innovation MIT System

Our inspiration is to fascinate people!

With the most innovative window systems, surfaces and best-in-class digital solutions, we set the main trends and form the framework for the world of windows. The GEALAN group is one of Europe's leading manufacturers of vinyl profiles for windows and doors.

The core components of the GEALAN brand include modern profile systems such as 39, 44, 60 and 64 mm profiles for both sliding and casement systems, intensive core insulation and option for various wood-grain foiling.

As an innovative system provider for vinyl window and door profiles, GEALAN also offers its partner companies comprehensive services in the areas of marketing and advertising, architectural consultation and training for window manufacturers and architects.

GEALAN 100 YEARS OF HISTORY

Together, our innovative products and comprehensive services form the basis for continuous growth, in keeping with our Company motto: "Innovation MIT System" (Innovation by design). Across Europe, GEALAN employs more than 1,500 people and generated an annual turnover of more than EUR 325 million in 2021. Since 2014, it has been part of the family-run Company. GEALAN, with all of its affiliated companies and other sites became part of 1.25 billion euros Holding Group Company. This family-managed corporate group, which has its headquarters in Oberkotzau and manufacturing facility in Tanna, Germany is one of the leading manufacturers worldwide of Vinyl Profile systems for Doors & Windows.

GEALAN - SUPRA

A CLASS OF ITS OWN

The new development in the 64 mm segment meets the highest demands on a profile in terms of design, performance, economy and versatility. Such is how GEALAN-SUPRA sets new standards.

The 64 Series of GEALAN SUPRA is a highly specialised series that can be used for making larger than usual sliding windows and doors. GEALAN SUPRA complies with CPWD specifications and can be used in most government projects.

GEALAN SUPRA:

- Monorail Windows with 1 Shutter
- Windows with 2 Sliding Shutters
- Windows with 2 Sliding Shutters and Mesh
- Windows and Doors with 3 Sliding Shutters (including Mesh)
- Windows & Doors for Government Projects
- Windows & Doors for Villas & Independent houses

GEALAN - SELECTA

THE INNOVATIVE SLIDING SYSTEM FROM GEALAN

Living space is valuable, so it should be put to the best possible use. For the first time, GEALAN- SELECTA combines the space-saving convenience of sliding solutions with an extraordinarily compact design. This is made possible through a synergy of newly developed hinge parts, innovative profile geometry and optimised seals.

GEALAN SELECTA is available in both Sliding (44 series) & Casement (39 series), and is specifically engineered for small windows such as:

- Ventilators
- Ventilators with Louvers
- Windows in kitchen
- Windows with dimensions lesser than 16 sqft.
- Windows with clip on frame for Mesh provision

GEALAN - COLOUR OPTIONS (AVAILABLE ONLY IN PRIMA & SUPRA)

Mahogany
